

Dear Maryknollers- East, West, North and South,

EASTER GREETINGS!

Here at the Knoll we are still under quarantine but our spirits remain positive .

Masks, PPE and other aids keep us safe thanks to all who heeded Sr. Teresa's letter.

Saying 'thank you' joins our prayers for all, especially the migrants and Black Americans who have more cases of the Coronavirus and more deaths.

This is not the time to blame a person or a group or a country as the virus is everywhere. Healing is primary for everyone.

Our faith keeps us strong and no, God has not forgotten the world He saved.

Love and prayers,

Sr. Jeanne Houlihan
