It has been 78 years since a group of Maryknoll Sisters came from New York to start the school in Hong Kong. From a mere handful of students, it has turned into tens of thousands, all serving as useful and productive citizens in various parts of the world. Many of these Sisters have passed away, but there are still a number in their ripe old age who can no longer work or take care of themselves. They need constant care which is very costly to the Maryknoll community.

In their prime of youth, they have dedicated themselves to educate each one of us, sharing with us the true Maryknoll spirit which is "to respond as people yearning for authentic justice and reconciliation in the midst of a fractured and divided world."

Now it is our turn to respond to their generosity and to repay what little we can, according to our capacity. Please give generously and show your support for this worthy fundraising event. Join the MCS/MSS family on April 5 and show your appreciation for the Maryknoll Sisters.

Tickets for the event are fast disappearing. Please contact any committee member to reserve yours.
